BIKE & MOTO

Advanced Care for Motorcycles, Quads & Two-Wheelers

NANOCLEAN BIKE & MOTO delivers professional cleaning, lubrication, and protection for all motorcycles, quads, scooters, and e-bikes. Designed for everyday riders and professionals, our products ensure top performance, long-lasting protection, and effortless maintenance.

Why choose NANOCLEAN CAR?

DEEP CLEANING & HIGH SHINE

Removes dirt, grease, and grime with ease.

SUPERIOR LUBRICATION & PROTECTION

Extends chain and engine life.

HYDROPHOBIC & ANTI-CORROSION EFFECTS

Shields against water, dirt, and UV damage.

FAST & EASY APPLICATION

Saves time while delivering pro-level results.

Ride harder, shine longer!

From quick detailing to heavy-duty maintenance, NANOCLEAN keeps your ride looking and performing at its best.

MAGIC FOAM CLEANER

B02

Multi-Surface Waterless Cleaner

NANOCLEAN B02 MAGIC FOAM CLEANER is a powerful waterless cleaning foam, designed for quick and effortless cleaning of bicycles, motorcycles, and gear. This fast-acting aerosol foam removes dirt, mud, grease, and stains from frames, seats, handlebars, drivetrains, pedals, helmets, goggles, and riding suits—all without water.

Key benefits:

- **Waterless Cleaning** – No need for rinsing, perfect for quick maintenance.
- **Fast & Effective** – Instantly dissolves dirt, mud, grease, and stains.
- **Safe for All Materials** – Works on painted, plastic, rubber, carbon fiber, and textile surfaces.
- **Versatile Use** – Cleans bikes, helmets, goggles, riding suits, and accessories.
- **Leaves No Residue** – Dries quickly without streaks or sticky buildup.

WASH & SHINE

B08

Effortless Cleaning & Gloss in One Step

B08 WASH & SHINE is a premium spray & wipe motorcycle cleaner enriched with nano-shine additives for a flawless finish. Its pH-neutral (7.0) formula ensures safe cleaning for all paint types, including matte and wrapped surfaces. This all-in-one solution removes dirt, enhances shine, and refreshes your bike's appearance, leaving a long-lasting protective effect with a pleasant fragrance.

Key benefits:

- **Cleans & shines in one step** – removes dirt while enhancing gloss
- **pH-neutral & safe** – suitable for all paint finishes, including matte and wraps
- **Nano-shine technology** – adds a lasting protective effect
- **Fresh fragrance** – leaves the bike looking and smelling great
- **Quick & easy application** – spray, wipe, and enjoy the shine

MOTO DETAILER B36

Instant gloss

UV protection

Easy to use

Instant Shine & Protection for Your Motorcycle

B36 MOTO DETAILER is a high-performance spray detailer designed to restore shine and protect motorcycles, quads, and other vehicles. Its advanced formula enhances gloss, creating a deep, wet-look finish while providing long-lasting hydrophobic protection. It repels water, dirt, and dust, making cleaning easier and ensuring UV protection to prevent color fading. Safe for paint, fairings, windshields, and plastics, it keeps your bike looking showroom-fresh in seconds.

Key benefits:

- **Instant deep gloss** – enhances color and restores a wet-look finish
- **Hydrophobic protection** – repels water, dust, and dirt
- **UV shield** – prevents fading and keeps plastics looking new
- **Safe for all surfaces** – paint, fairings, windshields, and plastics
- **Quick & easy Spray & Wipe application**

VISOR ANTI-FOG

B30

Fog-Free Vision for a Safer Ride

B30 VISOR ANTI-FOG is an advanced anti-fog and degreasing formula designed specifically for helmet visors, goggles, and protective eyewear. It prevents condensation and fogging, ensuring clear visibility in all weather conditions. The powerful SPRAY & WIPE solution effectively removes dirt, grease, and fingerprints while leaving an invisible anti-fog layer for long-lasting protection.

Key benefits:

- Prevents fogging – ensures crystal-clear visibility
- Removes grease, dirt, and smudges
- Streak-free formula – no residue or marks
- Safe for all helmet visors and protective eyewear
- Quick & easy application – spray & wipe

VISOR & HELMET CLEANER

B31

Crystal Clear Vision & Rain Protection
for Your Helmet

B31 VISOR & HELMET CLEANER is a specialized helmet, visor, and windshield cleaner designed to ensure maximum visibility in all weather conditions. Its hydrophobic Nano Rain Stop formula creates an invisible protective layer that repels rain, moisture, and dirt, keeping your visor clear for longer. The fast-acting formula effectively removes insects, dust, and streaks, leaving a spotless, streak-free finish.

Key benefits:

- Removes bugs, dirt, and streaks instantly
- Hydrophobic effect – repels water and moisture
- Enhances visibility in all weather conditions
- Safe for all visor coatings and helmet surfaces
- Quick & easy application – spray & wipe

BIKE & MOTO

HELMET FRESH SPRAY

B33

Stay Fresh, ride clean

B33 HELMET FRESH SPRAY is a hygienic and refreshing spray designed to eliminate odors from helmets, riding suits, gloves, boots, and other gear. Its fast-drying formula removes sweat, residue, and unpleasant smells, leaving a long-lasting fresh mint scent. Safe for all materials, it ensures that your equipment stays clean, fresh, and comfortable after every ride.

Why choose C31 QUICK DETAILER?

- Eliminates odors – keeps gear fresh and hygienic
- Fast-drying formula – perfect for regular use
- Gentle on all helmet and suit materials
- Refreshing mint scent – long-lasting freshness
- Compact and easy to carry – ideal for travel

HYDRO PROTECT

B35

Ultimate Protection for Motorcycle Gear

B35 HYDRO PROTECT is an advanced waterproofing spray designed to protect motorcycle clothing, footwear, and accessories. It creates a durable hydrophobic barrier, preventing water absorption, dirt buildup, and UV damage. This easy-to-use formula extends the lifespan of leather and fabric, ensuring long-lasting performance and easier cleaning.

Key benefits:

- **Hydrophobic Protection** – Prevents soaking and dirt penetration
- **UV Filter** – Slows color fading and material aging
- **Easy-Clean Formula** – Reduces cleaning time by preventing dirt adhesion
- **Extended Durability** – Maintains leather and fabric in top condition

CHAIN OIL ULTIMATE B45

The Ultimate All-Condition Chain Lube with Organic Molybdenum. Revolutionary chain lubricant designed for road and racing motorcycles, quads, go-karts, and all chain-driven vehicles. Advanced Organic Molybdenum technology lowers friction to an absolute minimum, enhancing performance and reducing fuel consumption. Formulated with Synthetic Ester and PAO oils plus AW, EP, and FM additives for extreme load resistance, superior water protection, and extended chain life.

Key benefits:

- **Ultra-Low Friction** – Smoother power delivery and quieter chain operation.
- **Extreme Durability** – Withstands high loads and water exposure.
- **Longer Chain Life** – Minimizes wear, saving you on maintenance costs.
- **Enhanced Efficiency** – Increases overall power output, improves fuel economy.

BIKE & MOTO

CHAIN LUBE OFF ROAD

B50

Reduces friction

Longer chain life

Extreme Chain Lubricant with Organic Molybdenum

Developed to outperform leading off-road lubes on the market, **B50 CHAIN LUBE OFF ROAD** delivers superior protection and minimal fling—even at high speeds. Our advanced blend of Synthetic Ester and PAO oils, fortified with AW, EP, FM additives and special tackifying polymers, creates a resilient barrier against mud, water, and extreme loads. Powered by Organic Molybdenum for ultra-low friction, it significantly extends chain life while boosting off-road performance.

Key benefits:

- **High-Speed Adhesion** – Innovative polymers resist centrifugal forces, keeping the lubricant on the chain.
- **Organic Molybdenum Technology** – Reduces friction to a minimum, ensuring smoother power transfer.
- **Off-Road Durability** – Repels water, mud, and sand, protecting against corrosion and premature wear.
- **Extended Chain Life** – Robust film strength withstands heavy loads, minimizing maintenance and downtime.aesthetics.

RAPID BRAKE CLEANER

B01

Fast and effective degreaser for bicycles and motorcycles

RAPID BRAKE CLEANER is a powerful, fast-evaporating degreaser designed to remove grease, oils, and other contaminants from mechanical components. It is ideal for cleaning chains, brake discs, sprockets, derailleurs, and electrical parts. Its acetone-free formula makes it safe for most materials, including metal and plastics.

Key benefits:

- **Fast evaporation** – Leaves no greasy residue, ensuring clean components ready for immediate use.
- **Safe for plastic** – Acetone-free formula reduces the risk of damage to delicate surfaces.
- **Effective contaminant removal** – Dissolves grease, oils, and dirt, reaching even hard-to-access areas.
- **Versatile application** – Suitable for cleaning braking, drivetrain, and electrical systems.
- **Easy to use** – Aerosol applicator allows precise spraying and quick cleaning without disassembly.

MULTILUBE PTFE OIL

B03

Professional multi-purpose lubricant

A high-performance PTFE-infused lubricant designed for long-lasting protection and superior glide in demanding conditions. Ideal for cables, shifters, slides, and precision mechanisms, it penetrates quickly, lubricates efficiently, and preserves components even in the presence of dust and sand. No pre-cleaning is required before application, and it remains clean without dripping or splattering. Waterproof and resistant to extreme temperatures, it provides excellent protection against rust and freezing.

Key benefits:

- **Exceptional Lubrication** – PTFE formula ensures superior glide and long-lasting protection for moving parts.
- **Dirt-Resistant** – Prevents dust and sand buildup, keeping mechanisms clean and efficient.
- **Versatile Use** – Replaces 95% of aerosol-based lubricants, making it suitable for a wide range of applications.
- **Moisture & Corrosion Protection** – Repels water, prevents rust, and protects against freezing in low temperatures.
- **Easy Application** – Does not drip or stain, penetrates quickly, and starts working immediately.
